

UPCYCLE IT!

Turning Trash into Cash for Westford Schools

As part of Sustainable Westford's "green" mission, we are collecting non-recyclables to benefit the Westford Public Schools. Through TerraCycle (www.terracycle.net) we can collect items such as drink pouches, granola bar and candy wrappers, etc. and return them to the company who "upcycles" them into new products – backpacks, pencil cases, etc. TerraCycle will donate 2 cents to the Westford schools for every item we send in. Please help the schools, the planet, and reduce trash by collecting the items listed below.
