***Thank you for your interest.***

***You will be notified if accepted into this market.***

## Health & Wellness - Market Rules & Policies

Vendor preference shall be given to “healthy,” “green” and those who fit the Market’s Mission (see Mission Statement). Consistency, track record of attendance, years in business, overall performance and tidiness shall be noted for future reference for vendor preference. Vendor selection is also based on the needs of the Market at that time; this includes value added to the Market. “Hawking” is not permissible.

- Applications: Those wishing to set up a booth must submit this completed Application, Insurance Certificate and Fees prior to acceptance to market.
- Attendance: Vendors are expected to attend every week as agreed upon unless prior arrangements are made. Please make arrangements in writing with Adult Market Manager.
- New Vendors will first be asked to make an appearance as a “Visiting Vendor” so the WFM can better assess your fit. Upon approval of the first appearance the next visits to the market will be authorized.
- Vendors may choose up to four (4) visits spaced throughout the season. Pre-payment is required and No Shows will owe for the day of nonattendance. There are no refunds.
- Rain Venue: In the event of rain, Farm Vendors will set up in the parking lot across the street at The First Parish Church, 48 Main St. Due to limited space, non-farm vendors will set up on a first come-first serve basis until all the spaces are taken unless other prior arrangement are made with the Market Manager. Effort will be made to adequately accommodate as many vendors as possible. However, space is limited and safety is a priority.
- Set up and Stop Times: Vendors may set up (1) one hour before the Market opens; no sales before the Market opens.
- **Vendors are not allowed to “take down” prior to the close of the Market at 6:30 PM even if they are “sold out.”** At the close, all vendors are expected to shut down promptly.
- Please check in at the Market Manager’s Booth for Space Assignment and Parking Permit.
- **Unloading: Temporary unloading and loading may take place on Lincoln St. (or another legal space). However, all vehicles must be moved and parked in an approved space. Pedestrian crosswalks must be used in this process and at all times.**
- Parking: Vendors must park in an alternate parking lot at 39 Main St **and not allowed to park on Lincoln St.** Parking Permit shall be issued at check in. Parking Permit to be displayed on dashboard.
- Space (Booth) Assignments: Specific spaces are reserved for Weekly Vendors. Remaining spaces are assigned to others on a weekly basis.
- Vendors provide their own set up, chairs, tent, trash receptacle etc. Vendors must secure all TENTS FIRMLY so not to create a hazard for anyone. Stakes are not allowed. Sand bags/ weights often are used by vendors.
- **You are responsible for keeping their area clean during the Market day as well as thoroughly cleaning their areas & removing all trash OFF SITE including corn silk and husks/ ice at the end of the day.**
- We do encourage vendors to use things that do not create trash and litter when serving samples. Eco-friendly is best. Vendors must use plastic gloves when handling foods to be sampled.

The Market Rules and Policies are simple and in place to create a positive atmosphere and successful Market. Please respect these Rules, your neighboring vendors and WFM Volunteers because everyone works hard to see success. I have read and understand these Rules & Policies and swear to abide and respect them.
